

TARGET AUDIENCE

This conference is designed for ophthalmologists.

ACCREDITATION

EXCEL Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. This activity has been planned and implemented in accordance with the essential areas and policies of the ACCME.

CREDIT HOURS

EXCEL Continuing Education designates this educational activity for a maximum of **one AMA PRA category 1 credit**™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

EXCEL Continuing Education, in accordance with accreditation requirements, will disclose any significant financial interest or other relationship with the commercial supporter of the activity.

AGENDA

- 6:30 PM Registration and Welcome Reception
7:20 PM Welcome and Introductions
7:30 PM **Glaucoma: Some of the Newer Surgical Options**
Elizabeth Hodapp, MD
Voluntary Professor of Ophthalmology
Bascom Palmer Eye Institute
Miami, FL
- 8:30 PM Q and A
Dinner will be served throughout the presentation.

EDUCATIONAL OBJECTIVES

- Upon completion of this activity, the participants should be able to:
- Determine which patients in his or her practice might benefit from a referral to someone trained in the newer surgical procedures.
 - Review the current literature (both peer-reviewed and other) regarding the newer surgical procedures.
 - Determine which, if any, of the newer techniques he or she wants to learn to perform.

DISCLOSURE OF UNLABELED USE

This activity may contain discussion of published and/or investigational uses of agents that are not indicated by FDA. EXCEL Continuing Education and Merck do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of EXCEL Continuing Education and Merck. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications and warnings.
